

Dear Stakeholders,

Greetings from SLDC, Odisha.

We are pleased to inform you that SLDC is in the process of implementing the SAMAST framework (Scheduling, Accounting, Metering and Settlement of Transactions in Electricity) to facilitate automation and ensuring enhanced transparency to bring in efficiency in optimizing several functions of SLDC.

As part of this initiative, the Open Access module is now ready for a trial run, effective from Trade Date: 31.07.2025(Delivery Date.01.08.2025) Your cooperation and participation are essential to ensure the success of this trial.

Please note the following:

1.User ID and Common Password:

The login credentials (User ID and temporary common password) are provided in the attached document.

These credentials will remain active for the trial period and will be updated after successful implementation.

2.User Manual:

A user manual is also attached to guide you through the registration and usage process during the trial.

3.Important:

During the trial run, the prevailing practice/mode of operation shall continue as the official process. This trial is being conducted solely for familiarization and testing purposes.

Along with the prevailing practice please punch the open access intra-state STOA applications in SAMAST portal.

We request all stakeholders to go through the manual and start using the platform as per the trial guidelines.

Your timely feedback and active involvement will be invaluable in fine-tuning the system before going live.

For any queries or technical support, please feel free to contact us as follows.

Module	Point of Contact	Designation	Contact No	Email
Open Access	Subrajit Behera	Manager,SLDC	9438907669	oasldcodisha@gmail.com

Thank you for your cooperation.

Best regards,

State Load Dispatch Center
